Dear 'the Listening Room' Friend,

A little over three years ago, Lakeside proudly introduced 'the Listening Room' to the community. Since then, we have had hundreds of successful performances and look forward to many more in the future.

We want you to be the first to know about the new Listening Room commemorative campaign. A donation of \$150 will allow an elegant brass nameplate with your choice of inscription to be affixed to one of the 85 chairs in 'the Listening Room.' Your donation might celebrate your family name or business, or perhaps memorialize a loved one(s), leaving a legacy for future generations.

Your gift will help us continue to bring great artists to the community and stimulate the growth of our program offerings.

Warm regards,

Siobhan Cottone, Executive Director
